BUILDING AGREEMENT AND PRELIMINARIES				
i) The Agreement is to be the JBCC Series 2000 Minor Works Agreement: Contract Data prepared by the Joint Building Contracts Committee, May 2018 Edition 6.2				
ii) If Alternative A as set out in clause 10.3 hereinafter is to be used for the adjustment of the preliminaries each item priced is to be allocated to one or more of the three categories by insertion of "F", "V" or "T" as the case may be against the price in the "rate" column immediately preceding the "amount" column, where "F" denotes a fixed amount (amount not to be varied), "V" denotes an amount variable in proportion to value and "T" denotes an amount in proportion to time				
iii) Clauses stated under a clause heading, shall be read in conjunction with the existing JBCC Series 2000 Minor Works Agreement, May 2018 Edition and the JBCC Series 2000 Preliminaries, May 2018 Edition 5.2.				
User note				
A provision/clause in Edition 6.2 of the JBCC Principal Building Agreement may have unintended consequences. The following is relevant:				

<p>Within the contract data document there is space to insert changes made to the JBCC documentation. Quantity surveyors have generally up to now merely inserted in this space "Refer to Bill No. 1"</p>				
<p>Below the above mentioned space the following note has been inserted:</p>				
<p>"Note : The amendments contained herein or in the single referenced Annexure constitute the only amendments to the standard JBCC Agreement that will apply. No other amendments shall be of any force or effect"</p>				
<p>Should quantity surveyors wish to adhere to the system of inserting amendments, modifications, corrections or supplements to the JBCC documentation under the listed clause headings in Bill No. 1 (Preliminaries) then it is suggested that the following clause be inserted in the space provided in the contract data where changes made to the JBCC documentation are to be recorded:</p>				
<p>"It is specifically agreed that the note below calling for amendments to the standard JBCC Agreement to be listed in the space provided in the contract data or recorded in 'the single referenced Annexure' shall not apply. Where standard clauses or alternatives are not entirely applicable to this agreement such amendments, modifications, corrections or supplements as will apply are given under each relevant clause heading in Bill No 1 (Preliminaries) and such amendments, modifications, corrections or supplements shall take precedence notwithstanding the note below and notwithstanding the provisions of clause 5.6 of the JBCC Principal Building Agreement"</p>				
<p>Not doing as suggested above when adhering to the system generally used by quantity surveyors up to now may result in any amendments within Bill No. 1 (Preliminaries) being considered null and void, which could then lead to major claims</p>
