

## **2022 SRC PRESIDENT MESSAGE**

Every seed that is planted needs to be well taken care of, for it to produce fruitful outcomes. It is on this note that today we celebrate the efforts that you have all taken to water your seeds, which have now produced great outcomes.

It goes without saying that it was a journey full of obstacles and pains, but through persistence, determination, commitment and sacrifices which all of you showed towards your studies, you managed to win the battle! ORBIT TVET College has equipped you with the necessary skills and knowledge for you to make a valuable contribution towards society as well as for the betterment of your life.

Some of you will be incorporated into the corporate world, while some will choose to further their studies. Whatever path you will be taking, know that you will emerge as a winner once again! The same basic principles of commitment, discipline, sacrifice and persistence must be applied throughout your life in order to achieve whatever it is that you wish for.

You are all a true reflection that no matter the circumstances, if one has a dream and remains focused, nothing is impossible. Go out there and become forces to be reckoned with!

I wish you the best of luck in everything you aspire to achieve in life.

Congratulations on this big achievement and for officially being part of ORBIT TVET College alumni!!
